

Robust AI Privacy Policy

Last updated November 15th 2023

This privacy notice for Robust AI (“**Company**,” “**we**,” “**us**,” or “**our**”), describes how and why we might collect, store, use, and/or share (“**process**”) your information when you use our services (“**Services**”), such as when you:

- Download and use our mobile applications (ACE: AI Coach Dance & Workout, Top Pushup, Top Moonwalker, Top Namazi, Top Surgeon), or any other application of ours that links to this privacy notice
- Engage with us in other related ways, including any sales, marketing, or events

Going forward below in this doc “**our apps**” refers to the collection of apps ACE: AI Coach Dance & Workout, Top Pushup, Top Moonwalker, Top Namazi, Top Surgeon all produced and owned by our company Robust AI.

Our apps do not collect any personal information of any kind from our user.

In particular our, apps **do not collect** personal and sensitive user data such as personally identifiable information, financial and payment information, authentication information, phonebook, contacts, device location, SMS and callrelated data, health data, Health Connect data, inventory of other apps on the device, microphone, camera, and other sensitive device or usage data.

Since we do not collect any personal data we **do not sell or share** any personal data with any other individual or business anywhere.

Our apps **do not transmit** Android advertising identifier (AAID), SIM Serial, Build Serial, BSSID, MAC ,SSID, IMEI, and/or IMSI. Our apps do not request AD_ID permissions when target Android API 33 or higher.

Our apps **do not request** device phone number from TelephonyManager of the Android API, do not request location permission or collect, use, and transmit precise location. Our apps do not request Bluetooth.

Our apps **do request** access or permission from your mobile device's camera which is necessary for the apps to function. Our apps do not record or transmit any data from the mobile device's camera.

Our apps **do request** access or permission to track usage of in-app activity solely for measuring app usage and development of new features. Our apps do not collect or transmit any identifiable information for tracking in-app activity.

Questions or concerns? Reading this privacy notice will help you understand your privacy rights and choices. If you do not agree with our policies and practices, please do not use our Services. If you still have any questions or concerns, please contact us at privacy@robustai.tech.
